**O R D E R**

The court held an interim pretrial conference in this case on February 15, 2013. An oral motion was made for a continuance based on the voluminous discovery required. The government and codefendants are all unopposed to the continuance The court finds that the interests of justice are served by granting this continuance and that those interests outweigh the interests of the public and the defendants in a speedy trial. The motion for continuance is GRANTED.
